Hey Libby, I was wondering if you were still interested in coming to speak to our chapter. How does February 20th from 12:50pm-1:15pm sound? If that date does not work we could also do February 27th.

Also, we'll be having a mayoral candidates forum on March 22nd at City Hall during our chapter conference from 12:30-2:30pm, and I was wondering if you would be interested to participating in the event.

>>> Hello Ms.Schaff, my name is Mawi Fasil, I am the chapter president of the Oakland Tech JSA/Debate Club. I know that my vice president has contacted you about speaking to our chapter in January, but I also wanted to ask if it was possible for our chapter to use city hall for a chapter conference.
>>>
>>> A chapter conference is a one-day event hosted by a chapter. More specifically, our chapter conference will have students coming from all over Northern California to debate and participate in activities on a range of topics all revolving around a specific theme. There would be separate blocks that last an hour in which debates and activities would happen simultaneously.
>>>
>>> We would like to use City Hall for our chapter conference Saturday March, 22nd, and would last from 9-5. All we would need is three rooms for the debates/activities to take place, and one main room to hold the opening and closing session.

> > We would greatly appreciate it if you would be able to let us use city hall for our chapter conference. This would be a great event that will help more high school students become politically engaged, and I promise that this event will have some of the brightest and most politically engaged students in Northern California.
