Date: Tuesday, May 21, 2013 12:34:31 PM

Kori,

Minutes do not become "Official" until they are voted on in a future meeting by those who were in attendance at the May 16th meeting. Your minutes are a Draft just as my minutes are a Draft.

Your minutes fail to mention the discussion started by Lynette Francis about cars driving between the delineators, from the "curb lane" into the lane of moving traffic.

Donna
