Summary:

On 19 Sep 14, at about 1709 hrs, I was working as OPD CRT 3 unit 6A33 with Ofc. J. Garcia. We were both wearing full police uniforms and Ofc. Garcia was driving marked patrol vehicle 1823. While driving NB on the 7500 Blk of Rudsdale Ave, I observed a vehicle (License plate 3MVS477, 1995, Cadillac, Seville, 4d, green) driving in front of me. While the vehicle came to a stop at a stop sign, I observed the rear brake lights were not operational in violation of 24252 (a)CVC--all lights must work.

After observing the above listed violation, I elected to enforce a traffic stop. We activated our overhead lights and sirens and stopped the vehicle at the 7500 Blk of Rudsdale Ave.

We informed the driver the reason for the stop. He identified himself via CDL as, Williams, Dontay. I conducted a file check on wants and warrants and discovered he did not have any wants or warrants and his CDL was valid.

Williams told us that the "switch" to his brake lights was broken. I gave him a verbal warning and he left the area without incident.

I did not observe or use any force.

Williams nor the passengers in the vehicle were handcuffed or searched.

Both PDRD's activated.
