Hi Kori-- I am the new representative from Hiller Highlands Homes Association. I am looking forward to working with Bentley and the other neighborhood representatives as a member of the Neighborhood Liaison Committee.

In anticipation of a future meeting, I would like to meet with you and Arlene to hear how you feel the committee has functioned to date and to talk about ways we can make the committee a more positive experience for both the school and the neighborhood.

In addition to living next door to Bentley for 35 years, I have more than 43 years of professional experience in issue management and public relations, working with nonprofits, educational institutions and governmental agencies. As such, I've been on both sides of the table, so to speak.

I'll be out of town next week, but since I'm now retired, I am generally free most days and would be happy to meet with the two of you at your earliest convenience after the 1st of April.
