Cydnee,

Thank you for the updated information.

Another item I would like to see added to the agenda, is consistence in where the school bus parks. Sometimes it parks at the AC Transit bus stop, and sometimes it parks at the south end of the Memorial Garden. When the bus parks at the AC Transit stop (east of Bentley's entrance), vehicles move much more smoothly as the exit the driveway, or pull away from the curb along side the Memorial Garden. Is it possible to ask Durham bus drivers to always park at the AC Transit bus stop - after all, AC Transit no longer uses the bus stop.

Thanks you,

Donna
