Subject:	U-turn by big yellow bus
Date:	Thursday, October 31, 2013 11:30:42 AM

At 9:15 AM this morning one of the large yellow buses made a U-turn at the intersection of Hiller Drive/North Hill Court/and South Hill Court. The bus was heading up Hiller. As it was too large to make a normal U-turn, it blocked the intersection and made a number of attempts driving back and forth in order to turn the bus and drive down the hill.

The intersection was blocked to all uphill and downhill traffic. This practice is not safe.
