Rob, please consider your portion of the scope in the attached document approved.

Crescentia, when can we expect the final amendment for the Phase 1 scope?

Thanks,
Noah

Noah, I wanted to circle back and confirm that the A's are authorizing Fehr & Peers for the add-on in the email from Crescentia. I know we discussed this verbally but I also need something in writing so we can make budget changes on our end.

Thanks

Noah:

As you have expected, attached is ESA's Phase 1 Contract Mod that addresses the following add-ons:

- Fehr & Peers - All Work
- Comment Tracker and Translation (previously authorized)
- Additional ESA Meetings and PM hours
- Additional Scoping Meeting (Landmarks Board)

You'll note that this does not yet have ESA's signature, however, I'm forwarding it in an effort to expedite your preview in the meantime.
