Dear custodian of records:

Under the California Public Records Act § 6250 et seq., I am requesting an opportunity to inspect or obtain copies of public records that show all Comcast contact information for Oakland. All addresses, all fax, and all email numbers.

I would also like to request a waiver of all fees because of indigence. This information is not being sought for commercial purposes.

The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Sincerely,

Jordan Rosenberg
