Dear City of Oakland Project Managers, Contract Administrators, Service Contractors and City Financial Assistance Recipients:

Pursuant to Regulation No. 3, Item 1 of the Living Wage Ordinance, each year, the City of Oakland must review the Bay Region Consumer Price Index (CPI) as published by the Bureau of Labor Statistics, US Department of Labor. After review of the appropriate CPI, the City must adjust the living wage rates accordingly.

Please be advised that the current living wage rates have been adjusted up from \$10.83 per hour to \$11.15 (with health benefits) and from \$12.45 per hour to \$12.82 (without health benefits).

You have 3 months from the date of this notice to prepare for the rate adjustment. Therefore, service contractors or City Financial Assistance Recipients (CFARs) subject to the Living Wage Ordinance must make sure that the current wages are adjusted up to the new rates effective July 1, 2010. Please notify all affected employees, contractors and subcontractors of the July 1, 2010 rate adjustment.

To support your noticing efforts, attached, please find a copy of the 2009-Living Wage Bulletin. Please send a copy of the attached Bulletin to all employees, service contractors, subcontractors and financial assistance recipients subject to the Living Wage rate adjustment. An electronic file copy is available upon request.

If you need further assistance, please contact Vivian Inman at (510) 238-6261 or call the main number at (510) 238-3970.

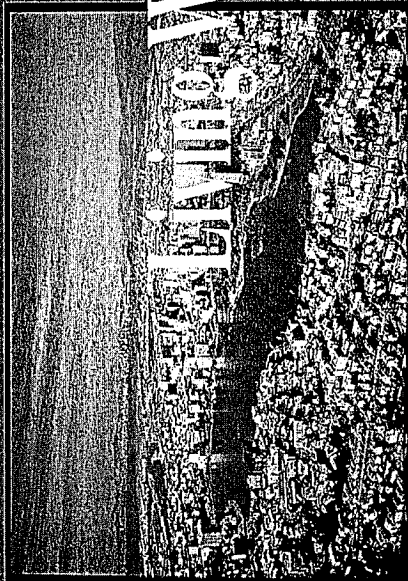

Thanking you in advance for your attention to this matter.

Sincerely,
