

Candidate for **SCHOOL DIRECTOR, DISTRICT 6**

I, **TONI R. COOK**, hereby declare that I am a candidate for an elective office in the City of Oakland, and make the following statement, to-wit:

1. That my name is Toni R. Cook.
2. The office for which I am a candidate is School Director, District 6.
3. My occupation for the past 5 years has been: Consultant.
4. I have held the following public office: School Director, District 6, 1990 - Present.

5. Statement of general qualifications: When I asked for your vote in 1990, I pledged to do more - differently. As such, I introduced a dress code. Today, young people attending 41 schools are wearing uniforms. Moreover, the truancy/suspension rates at these schools declined as substance rather than style is the focus. I supported new ideas. I was the first trustee to endorse charter schools legislation; and advocated Board approval of Kaiser, Hillcrest and John Swett's K-8 proposal. I lobbied the legislature. I called upon Sacramento to restore the District's Desegregation funds, and Congress to approve a \$17 million Chabot Science Center grant. I supported local government subsidizing after school programs; and promoted private sector/labor union support for high school academic programs. More importantly, I accepted more than 200 invitations to talk with adults and children about public education and diplomas and dreams. If you believe that I kept my promise, I am asking for your vote in 1994.

6. The signatures of not more than twenty nor less than ten residents of the City of Oakland sponsoring my candidacy are as follows:

	NO

FULL TEXT OF MEASURE O

LIBRARY SERVICES RETENTION AND ENHANCEMENT ACT OF 1994

Be It Ordained by the People of the City of Oakland as follows:

Section 1. TITLE AND PURPOSE

- (A) Title. This Ordinance may be cited as the "Library Services Retention and Enhancement Act of 1994."
- (B) Purpose. The tax imposed under this Ordinance is solely for the purpose of raising revenue necessary to retain and enhance library services in the City of Oakland.

In recognition of the potential hardship on low-income families and enterprises, the Ordinance provides a complete exemption from the tax for low-income homeowners, non-profit residential hotels, schools, hospitals, churches, and land used for agricultural purposes.

The Library Services Retention and Enhancement Act of 1994 is for the sole purpose of raising revenue that will be utilized for library services. This special tax is not an ad valorem tax on real property nor a transaction tax nor sales tax on the sale of real property within the City.

Section 2. USE OF PROCEEDS

The proceeds of this tax may only be used in accordance with the following objectives:

1. to keep neighborhood libraries open a minimum of 5 days per week;
2. to retain availability of library services at the Main Library 7 days per week;
3. to enhance and expand library collections;
4. to provide educational and cultural programs for youth in every library;

There is hereby imposed a special tax on all parcels in the City of Oakland, except where the parcels are otherwise exempt from taxation by Section 6 of this Ordinance.

The tax imposed by this Section shall be assessed to the Owner unless the Owner is by law exempt from taxation, in which case, the tax imposed shall be assessed to the holder of the Possessory Interest in such parcel, unless such holder is also by law exempt from taxation.

The tax hereby imposed shall be at the following rates:

- (A) For all single family Residential Parcels, the tax shall be at the annual rate of \$29.28 per Parcel.
- (B) For all multiple unit Residential Parcels, the tax shall be at the annual rate of \$20 per Residential Unit located on such Parcels, with the following exception: if a majority of the Residential Units have been vacant for 6 months or more, the rate shall be reduced by 50% to \$10.00 per Residential Unit located on the Parcel.
- (C) For Non-Residential Parcels, the tax rate shall be at the annual rate of \$15 for every Single Family Residential Unit Equivalent. Single Family Residential Unit Equivalents will be based on square footage and frontage and by land use category as follows:

LAND USE CATEGORY	FRONTAGE (FT)	AREA (SF)
Commercial/Institutional	80	6,400
Industrial	100	10,000
Public Utility	1,000	100,000
Golf Course	500	100,000
Quarry	1,000	250,000

Example: assessment calculation for a commercial or institutional parcel with a frontage of 160 feet and an area of 12,800 sq. ft.:

Frontage	Area
160 FT	12,800 SF
80 FT/SFE = 2 SFE;	6,400 SF/SFE = 2 SFE
2 SFE	+ 2 SFE = 4 SFE;
	4 SFE x \$15 = \$60

Section 5. HOTELS

The tax imposed by this Ordinance shall be imposed on each Hotel within the City in accordance with the following:

- 1. Residential Hotels. If rooms in a Hotel were occupied by individuals who were not Transients for 80% or more of the previous fiscal year, such Hotel shall be deemed a Residential Hotel, and such rooms shall be deemed Residential Units and shall be subject to the Parcel tax imposed on Residential Units. The remainder of the Building shall be subject to the applicable Square Footage tax computed in accordance with the Single Family Residential Unit Equivalent calculations.
- 2. Transient Hotels. Notwithstanding the previous subsection, if 80% or more of the Operator's gross receipts for the previous fiscal year were reported as rent received from Transients on a return filed by the Operator in compliance with Section 5, Article 20 of the Oakland Municipal Code (commonly known as the Uniform Transient Occupancy Tax of the City of Oakland), such Hotel shall be deemed a Transient Hotel. The entire Building shall be deemed a Non-Residential Parcel, categorized as Commercial, Industrial, and shall be subject to the Square Footage and Single Family Residential Unit Equivalent calculations set forth in Section 4(C), and the Parcel tax imposed on Residential Units shall not apply.

Section 6. EXEMPTIONS

The tax imposed by this Ordinance shall be subject to the exemptions set forth in this section.

- (A) Low-Income Homeowner Exemption. Exempt from this tax are owners of single-family Residential Units in which they reside whose combined Family income, from all sources for the previous calendar year, is at or below the income level qualifying as "very low-income" for a Family of such size under Section 8 of the United States Housing Act of 1937 [42 U.S.C.A. Sections 1437 et. seq.,] for such year. Owners must apply for the exemption provided for in this section annually by petition to the Director of Finance of the City of Oakland in the manner and at the time set forth in procedures established by the Director of Finance. Such petitions shall be on forms provided by the Director of Finance and shall provide such information as the Director of Finance shall require, including, but not limited to, federal income tax returns and W-2 forms of owner-occupants eligible for this exemption.
- (B) Low-Income Residential Hotel Exemption. Notwithstanding the apportionment requirements of Section 5.1 above, there are exempt from the tax imposed by this Ordinance Owners and Operators of Residential Hotels owned and operated by Exempt Organizations or by limited partnerships in which the controlling general partner is an Exempt Organization. This exemption shall only apply if the Residential Hotel is subject to a recorded regulatory agreement between the Owner and the State of California or a federal or local public agency, and if, pursuant to such regulatory agreement, the Owner is obligated to maintain rents in the Residential Hotel at "affordable" levels and rent to "low income" persons as such terms are defined in the applicable regulatory agreement. Owners must apply for this exemption to this tax annually by petition to the Director of Finance of the City of Oakland in the manner and at the time set forth in procedures established by the Director of Finance.

Section 7. REDUCTION IN TAX; RATE ADJUSTMENT

- (A) Subject to paragraph (B) of this Section 7, the tax rates imposed by this Ordinance are maximum rates and may not be increased by the City Council above such maximum rates. The tax imposed by this Ordinance may be reduced or eliminated by the City Council for a subsequent fiscal year upon a vote of the City Council on or before June 30th in any year in which the City Council determines that after such reduction or elimination there will be sufficient revenues available to balance the City Council's Adopted Policy Budget. Such reduction or elimination shall be effective for the fiscal year following such vote.
- (B) After the third year of imposition of this tax, the City Council may increase the tax imposed hereby only upon a finding that the cost of living in the immediate San Francisco Bay Area, as shown on the Consumer Price Index (CPI) for all items in the San Francisco Bay Area as published by the U.S. Department of Labor Statistics, has increased; the increase of the tax imposed hereby shall not exceed such increase, using 1994 as the index year. It is further provided that in no event shall the tax rate adjustment imposed hereby exceed, on an annual basis, five percent (5%) of the tax rates imposed by the City of Oakland pursuant to this Ordinance during the immediately preceding fiscal year.

Section 8. MINIMUM LIBRARY APPROPRIATION PREREQUISITE AT FISCAL YEAR 93-94 LEVEL

For any year during which this tax is in effect, the City Council may collect this tax only if the General Fund appropriation for Library services is maintained at a level that is no lower than the General Fund appropriation for fiscal year 1991-92. The General Fund appropriation for Library services for fiscal year 1991-92 was \$7.8 million.

Section 9. TERM OF TAX IMPOSITION

The tax imposed by the Library Services Retention and Enhancement Act of 1994 shall become effective on December 1, 1994 and shall continue in effect for 15-years

thereafter. The tax imposed by this Ordinance shall be deemed extended for an additional 15-year period if on or before June 30th of 2009, the City Council submits an ordinance to the voters of the City of Oakland extending this tax, and the voters approve such extension. The tax imposed by this Ordinance shall remain in full force and effect during the pendency of such election if it is held subsequent to June 30th of 2009. In the event that this Ordinance is extended as provided in this section, this Ordinance shall be deemed extended for all purposes and such extension shall relate back to the original passage of this Ordinance and shall not constitute a reimposition of the tax imposed by this Ordinance.

Section 10. ANNUAL AUDIT

The City Auditor will perform an annual audit to assure accountability and the proper disbursement of the proceeds of this tax in accordance with the objectives stated herein.

Section 11. DUTIES OF THE DIRECTOR OF FINANCE; NOTICE OF DECISIONS

It shall be the duty of the Director of Finance to collect and receive all taxes imposed by this Ordinance, and to keep an accurate record thereof.

Said Director of Finance is hereby charged with the enforcement of this Ordinance, except as otherwise provided herein, and may prescribe, adopt, and enforce rules and regulations relating to the administration and enforcement of this Ordinance, including provisions for the re-examination and correction of returns and payments. The Director of Finance may prescribe the extent to which any ruling or regulation shall be applied without retroactive effect.

The Director of Finance or his/her designee is hereby authorized to examine the books, papers and records of any person subject to the tax imposed by this Ordinance for the purpose of verifying the accuracy of any petition, claim or return filed and to ascertain the tax due. The Director of Finance, or his/her designee, is hereby authorized to examine any person, under oath, for the purpose of verifying the accuracy of any petition, claim or return filed or to ascertain the tax due under this Ordinance and for this purpose may compel the production of books, papers and records before him/her, whether as parties or witnesses, whenever he/she believes such persons have knowledge of such matters. The refusal of such examination by any person subject to the tax shall be deemed a violation of this Ordinance.

Section 13. COLLECTION OF TAX; INTEREST AND PENALTIES

The City Council of the City of Oakland is authorized to have the taxes imposed by this Ordinance collected by the County of Alameda in conjunction with the County's collection of property tax revenues for the City of Oakland. In the event that the County of Alameda collects the taxes imposed by this Ordinance, the imposition of penalties, additional fees and interest upon persons who fail to remit any tax imposed by this Ordinance, or who fail to remit any delinquent remittance under this Ordinance, shall be subject to and governed by the rules, regulations, and procedures utilized by the County of Alameda in its collection of property taxes for the City of Oakland and its collection of this additional tax for the City of Oakland.

In addition to any other penalties otherwise imposed, a one-time penalty at a rate set by the City Council, which in no event shall exceed 25% of the tax due per year, is hereby imposed by this Ordinance on all taxpayers who fail to timely pay the tax provided by this Ordinance, in addition, interest shall be assessed at the rate of 1% per month on the unpaid tax and the penalty thereon.

Every penalty imposed and such interest as accrues under the provisions of this Ordinance shall become a part of the tax herein required to be paid.

Section 14. COLLECTION OF UNPAID TAXES

The amount of any tax, penalty, and interest imposed under the provisions of this Ordinance shall be deemed a debt to the City. Any person owing money under the provisions of this Ordinance shall be liable to an action brought in the name of the City for the recovery for such amount.

Section 15. REFUND OF TAX, PENALTY, OR INTEREST PAID MORE THAN ONCE; OR ERRONEOUSLY OR ILLEGALLY COLLECTED

Whenever the amount of any tax, penalty, or interest imposed by this Ordinance has been paid more than once, or has been erroneously or illegally collected or received by the City it may be refunded provided a verified claim in writing therefor, stating the specific ground upon which such claim is founded, is filed with the Director of Finance within one (1) year from the date of payment. The claim shall be reviewed by the Director of Finance and shall be made on forms provided by the Director of Finance. If the claim is approved by the Director of Finance, the excess amount collected or paid may be refunded or may be credited against any amounts then due and payable from the Person from whom it was collected or by whom paid, and the balance may be refunded to such Person, his/her administrators or executors.

Section 16. SAVINGS CLAUSE

The provisions of this Ordinance shall not apply to any Person, or to any property as to whom or which it is beyond the power of the City of Oakland to impose the tax herein provided. If any provision, sentence, clause, section or part of this Ordinance is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality, or invalidity shall affect only such provision, sentence, clause, section or part of this Ordinance and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts of this Ordinance. It is hereby declared to be the intention of the City of Oakland, that this Ordinance would have been adopted had such unconstitutional, illegal or invalid provision, sentence, clause, section or part thereof not been included herein.

Section 17. MISDEMEANOR VIOLATION

Any Person who fails to perform any duty or obligation imposed by this Ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be punishable by a fine of not more than \$1,000 or by imprisonment for a period of not more than one year, or by both such fine and imprisonment.

The penalties provided in this section are in addition to the several remedies provided in this Ordinance, or as may otherwise be provided by law.

Section 18. BOARD OF REVIEW

Any Person dissatisfied with any decision of the Director of Finance adversely affecting the rights or interests of such Person made by the Director of Finance under the authority of this Ordinance, may appeal therefrom in writing to the Business Tax Board of Review (the "Board") within sixty (60) days from the date of mailing such decision by the Director of Finance. The City Council is hereby authorized to promulgate such regulations as it shall deem necessary in order to implement the provisions of this Ordinance.

Section 20. NO AMENDMENT

This Ordinance may not be amended by action of the City Council without the applicable voter approval.

CITY ATTORNEY'S IMPARTIAL ANALYSIS OF MEASURE O

This proposed Ordinance, the "Library Services Retention Act of 1994," would impose a City-wide special tax to fund City library services. If adopted, the tax would be in effect for fifteen years and it could only be extended upon voter approval. It is estimated that this tax would provide revenues necessary to finance the operation of the City's libraries at a level to permit: (1) neighborhood libraries to remain open 5 days per week; (2) retaining library services at the Main Library 7 days per week; (3) enhancement and expansion of library collections; (4) educational and cultural programs for youth in every library; (5) expansion of programs for literacy, lifelong learning and information technology; and (6) operation of an African-American museum and library program. The Ordinance allows the City Council to adjust the annual tax rates by a maximum of 5% after the third year of the tax's implementation, consistent with annual increases in the cost of living in the San Francisco Bay Area. The Ordinance provides an exemption from the tax for low-income homeowners and nonprofit residential hotels. To qualify for the low-income exemption, taxpayers must provide documentation of their income.

The tax is based upon a per parcel rate of \$29.28 for single family residential units, \$20 per unit for multi-unit residential parcels and \$15 per "single family equivalent" units for nonresidential parcels, such as industrial and commercial property. The multi-unit residential rate is reduced by 50% to \$10 per unit if the majority of the residential units on such parcel have been vacant at least 6 months. For the different categories of nonresidential property, tax liability is based on a standard measurement determined to be the equivalent of a single family residential unit. This formula is expressed in terms of parcel frontage and area. The tax for such properties is the product of \$15 times the number of "single family equivalents" ("SFE") for the particular nonresidential property. Example: an industrial parcel with a frontage of 80 feet and an area of 6400 square feet is the equivalent of one single family unit (1 SFE); another industrial parcel with a frontage of 160 feet (computed as 2 SFEs, as $160 \div 80 = 2$) and an area of 19,200 square feet (computed as 3 SFEs, as $19,200 \div 6400 = 3$) would pay tax of \$75. Thus, 2 SFEs + 3 SFEs = 5 SFEs and such 5 SFEs \times the nonresidential tax rate of \$15 = \$75.

The tax is estimated to generate approximately \$4,079,344 in revenues, before allowable exemptions and county collection fees, during each of the first three fiscal years.

Ordinances adopted by the voters for special taxes similar to this proposed ordinance have been upheld by the California Supreme Court.

ARGUMENT IN FAVOR OF MEASURE O

Oakland children, seniors and residents deserve a quality library system. A vote for Measure O is a vote for children's education and literacy.

Measure O will allow Oakland's libraries to maintain current services. In addition Measure O will:

- Keep the main library open 7 days a week and neighborhood libraries open a minimum of 5 days a week.
- Provide after-school programs for youth in every library.
- Provide full children's services in every library.
- Expand the library's literacy program which teaches Oakland residents to read.
- Operate an African American museum and educational program.
- Provide librarians and staff for the new Rockridge and Asian branch libraries.

City budget cuts have forced our libraries to cut hours and programs for youth and seniors. Neighborhood libraries are already functioning with limited hours and personnel, which means reduced services to children, literacy students, business people and residents. To stop further cuts in services, the libraries need additional funding which the City and State cannot provide.

The Library Advisory Commission, composed of Oakland residents, will be responsible for reviewing expenditures to ensure that funds are spent properly. Funds from Measure O are supplementary, and are to be used to enhance and improve existing library programs.

A yes vote for Measure O is a vote for our children and our community. Please support Oakland's libraries in its effort to provide a brighter future for all Oakland residents.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE O

Continued cries of "budget cuts" are simply distortions! The Library department was budgeted at \$9,728,339 this fiscal year. Last year it was \$9,680,517, and the year before the Library spent \$8,833,498. THAT'S NEARLY A MILLION DOLLAR INCREASE IN THREE YEARS! NOT A "REDUCTION," AN INCREASE! The number of authorized employees this year is 166, last year it was 161. Where's the reduction?

OAKLAND VOTERS SAID "NO" IN 1992!

We defeated virtually the same measure, but the politicians aren't listening. Their only change was to cynically revise the single-family home rate from \$30 to \$29.28.

THIS IS REALLY ABOUT PAYING TWICE FOR THE SAME SERVICES!

Measure O sets the Library apart from essential City departments, with a GUARANTEED budget of \$7.8-million from general funds, plus \$4-million from this parcel tax — far more than just "retention of services." A non-elected board would determine spending of that \$4-million, not our elected representatives! And, the City Council would lose policy decision over \$7.8-million of the general fund. WE WILL CONTINUE TO PAY for Library services from property, sales and other taxes — THEN WE WILL PAY AGAIN FROM THE ADDED PARCEL TAX! People in Rockridge who are paying a \$25 Mello-Roos parcel tax will pay three times!

A highly cost-effective Library reorganization proposed by a former Director was shot-down because each Councilmember demanded branches in his/her district, even if under-used.

NO NEW TAXES! NO ON MEASURE O!

ARGUMENT AGAINST MEASURE O

This Measure is NOT about "Library Services Retention." It's about SIPHONING MORE DOLLARS OUT OF TAXPAYERS' POCKETS! A LOT of dollars — over \$60-MILLION during the 15-year life of this parcel tax!

Look at your PROPERTY TAX BILL — beside the usual tax, you're slapped with LANDSCAPING AND LIGHTING ASSESSMENTS, a CITY PENSION FUND tax, and a flock of others! Look at your UTILITY BILLS and see the City's 7.5 percent UTILITY USER tax on telephone, gas and electric. Look at your GARBAGE BILL and count the CITY FEES. Look at your WATER BILL with its OUTRAGEOUS CITY CHARGES!

They think they're fooling us, spreading around these taxes and fees, but we recognize what the free-spending City of Oakland, with its top-heavy administration, is doing!

According to their own budget document, All Funds spending was \$371.53-MILLION in 1989-90; \$497.78-MILLION in 1992-93; and \$520.49-MILLION for this fiscal year — yet they cry "deficit."

The Library spent \$8,016,004 in 1989-90; \$9,680,517 in 1992-93 and will spend \$9,728,339 this fiscal year. It was authorized 161 employees last year, 166 this year. WHERE ARE THE SO-CALLED REDUCTIONS?

SO, WHAT IS THIS MEASURE ALL ABOUT?

It sets one department above all others, with a guaranteed budget. Even if Police, Fire, Parks and other services are cut, this one department can spend and spend! That's BAD GOVERNMENT, BUDGET ANARCHY, and leaves Oakland taxpayers with an unequal distribution of their tax dollars! The Library system deserves an equitable share of City revenues — but so do other essential services!

ENOUGH IS ENOUGH!

Oakland voters DEFEATED this same TAX AND SPEND SCAM in 1992. That should have ended it!

Send the City Council a resounding message — NO NEW TAXES!

VOTE NO ON MEASURE O!

REBUTTAL TO ARGUMENT AGAINST MEASURE O

Opponents of the Library would like you to believe that passage of Measure O will cost Oakland taxpayers millions of dollars each year.

They would also like you to believe that defeat of Measure O will "send a message to City Hall."

Let's look at the facts: Measure O will cost Oakland homeowners less than \$2.50 per month, or about 8¢ per day. That's it.

Money generated by Measure O will be earmarked specifically for library services. It will not be used for high priced administration or overhead. Money raised by Measure O will not be used for anything other than library services.

Specifically Measure O will:

1. Keep neighborhood libraries (used primarily by seniors and children) open a minimum of five days a week.
2. Provide after school educational programs to Oakland youth.
3. Allow Oakland Main Library to be open 7 days a week.
4. Allow the Library to increase subscriptions to newspapers and other periodicals and to purchase new books.
5. Support literacy programs for Oakland residents who cannot read or write.

Two years ago 66% of Oakland residents voted in favor of a similar ballot measure, falling just a few votes short of the necessary 2/3's. Since that time our libraries have shortened hours, cut back services and reduced senior and children's programs.

Defeat of Measure O will not reduce your taxes nor will it send a message to City Hall.

Defeat of Measure O will hurt Oakland residents who depend on neighborhood libraries.
