NOTICE: This form is to be used by the Building Department for the purpose of recording the construction of new buildings and alterations to existing buildings. It is to be filled out by the contractor or owner of the building and submitted to the Building Department for review and approval. The Building Department will issue a permit to construct if the plans are approved and the required fees are paid. The permit must be displayed on the building site at all times during the construction process. The Building Department will conduct inspections at various stages of the construction process to ensure compliance with the Building Code. The Building Department will issue a certificate of occupancy when the building is completed and all requirements have been met.
