Now therefore the parties to this Agreement covenant as follows:

1. Parties and Effective Date

This Agreement is made and entered into as of June 7, 2013 by and between the CITY OF OAKLAND, a municipal corporation, (hereinafter referred to as "City") and AMEC Environment & Infrastructure, Inc. (hereinafter referred to as "Consultant") for On-Call Environmental Consulting Services.

2. Scope of Services

Consultant agrees to perform the services specified in **Exhibit A - Scope of Services**, attached to this Agreement and incorporated herein by reference. Consultant shall designate an individual who shall be responsible for communications with the City for the duration of this Agreement.

3. Time of Performance

Consultant's services shall begin on July 1, 2013 and shall be completed by June 30, 2016.

4. Compensation and Method of Payment

Consultant will be paid for performance of the entire scope of services an amount that will be based upon actual costs but that will be "Capped" so as not to exceed Five Hundred Thousand and 00/100 dollars (\$500,000.00), based upon Exhibit A and the budget by deliverable task and billing rates in **Exhibit B - Billing Rates**. The maximum that will be charged for the entire scope of services will not exceed the Capped amount, even if the Consultant's actual costs exceed the Capped amount. Invoices shall state a description of the deliverables completed and the amount due. Payment shall be due upon completion and acceptance of the deliverables.

In the aggregate, progress payments will not exceed ninety percent (90%) of the total amount of the contract, with the balance to be paid upon satisfactory completion of the contract. Progress, or other payments, will be based on at least equivalent services rendered, and will not be made in advance of services rendered.

In computing the amount of any progress payment (this includes any partial payment of the contract price during the progress of the work, even though the work is broken down into clearly identifiable stages, or separate tasks), the City will determine the amount that the consultant has earned during the period for which payment is being made, on the

basis of the contract terms. The City will retain out of such earnings an amount at least equal to ten percent (10%), pending satisfactory completion of the entire contract.

5. **Independent Contractor**

Typically 100 points may be earned for the technical elements of the RFP. Preference points are awarded over and above the potential 100 points.
- h. The Exit Report and Affidavit (ERA) – This report declares the level of participation achieved and will be used to calculate banked credits. The prime consultant must complete the **Schedule F**, Exit Report and Affidavit for, and have it executed by, each L/SLBE sub consultant and submitted to the Office of the City Administrator, Contracts and Compliance Unit, along with a *copy* of the final progress payment application.
- i. Joint Venture and Mentor Protégé Agreements. If a prime contractor or prime consultant is able to develop a Joint Venture or "Mentor-Protégé" relationship with a certified LBE or SLBE, the mentor or Joint Venture partners will enjoy the benefit of credits against the participation requirement. In order to earn credit for Joint Venture or Mentor-Protégé relationships, the Agreement must be submitted for approval to the Office of the City Administrator, Contracts and Compliance Unit, prior to the project bid date for construction, and by proposal due date for professional services contracts. - l. In the recruitment of subcontractors, the City of Oakland requires all contractors to undertake nondiscriminatory and equal outreach efforts, which include outreach to minorities and women-owned businesses as well as other segments of Oakland's business community. The City Administrator will track the City's MBE/WBE utilization to ensure the absence of unlawful discrimination on the basis of age,

marital status, religion, gender, sexual preference, race, creed, color, national origin, Acquired-Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC) or disability.

- m. In the use of such recruitment, hiring and retention of employees or subcontractors, the City of Oakland requires all contractors to undertake nondiscriminatory and equal outreach efforts which include outreach to minorities and women as well as other segments of Oakland's business community.

24. Living Wage Ordinance

- c. Compensated days off – Said employees shall be entitled to twelve compensated days off per year for sick leave, vacation or personal necessity at the employee's request, and ten uncompensated days off per year for sick leave. Employees shall accrue one compensated day off per month of full time employment. Part-time employees shall accrue compensated days off in increments proportional to that accrued by full-time employees. The employees shall be eligible to use accrued days off after the first six months of employment or consistent with company policy, whichever is sooner. Paid holidays, consistent with established employer policy, may be counted toward provision of the required 12 compensated days off. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
