Now therefore the parties to this Agreement covenant as follows:

1. Parties and Effective Date

This Agreement is made and entered into as of June 7, 2013 by and between the CITY OF OAKLAND, a municipal corporation, (hereinafter referred to as "City") and Erler & Kalinowski, Inc. (hereinafter referred to as "Consultant") for On-Call Environmental Consulting Services.

2. Scope of Services

Consultant agrees to perform the services specified in **Exhibit A - Scope of Services**, attached to this Agreement and incorporated herein by reference. Consultant shall designate an individual who shall be responsible for communications with the City for the duration of this Agreement.

3. Time of Performance

Consultant's services shall begin on July 1, 2013 and shall be completed by June 30, 2016.

4. Compensation and Method of Payment

Consultant will be paid for performance of the scope of Services in Exhibit A an amount that will be based on actual time and material costs within the "not-to-exceed" amounts described below.

The City will issue periodic Consultant Assignments, as needed, during the term of this Agreement. Consultant Assignments will specify a "not-to-exceed" amount. The total amount that Consultant shall charge, and the total amount that the City will pay, for work under each Consultant Assignment, shall not exceed the amount specified in the Consultant Assignment, regardless of Consultant's actual costs. The total amount that Consultant shall charge, and the total amount that the City will pay, for work under the entire series of Consultant Assignments shall not exceed five hundred thousand dollars (\$500,000.00), regardless of Consultant's actual costs.

Payment will be due upon completion or satisfactory progress toward completion of the deliverable(s) identified in the applicable Work Plan and Consultant Assignment, and in accordance with the professional standards described in this Agreement.

In the aggregate, progress payments will not exceed ninety percent (90%) of the total amount of the Consultant Assignment, with the balance to be paid upon satisfactory

completion of the Consultant Assignment. Progress, or other payments, will be based on at least equivalent services rendered, and will not be made in advance of services rendered.

Consultant shall submit an invoice to the City not more than sixty (60) days following completion of the invoiced work. Invoices submitted later than sixty (60) days following completion of the invoiced work may, at the City's discretion, be considered null and void, resulting in payment being forfeited by Consultant.

All invoices shall be priced in accordance with Exhibit B. Each invoice shall prominently display the Consultant Assignment number under which the invoiced work has been performed, and shall contain: a description of the work performed; hours worked by individual Consultant personnel; rates charged for Consultant personnel; an itemized list of expenses for which Consultant claims reimbursement; total amount of the invoice attributable to work by small local business enterprises (SLBEs); total amount of the invoice attributable to work by local business enterprises (LBEs); and Consultant's signature. Copies of subcontractor invoices and copies of receipts for reimbursable purchases also shall be included. All invoices shall be sent to the Project Administrator.

Consultant has complete and sole discretion for the manner in which the work under this Agreement is performed. Prior to execution of this agreement, Consultant shall complete **Schedule M, Part A, Independent Contractor Questionnaire, Part A**, attached hereto.

c. Payment of Income Taxes

Consultant agrees that all information disclosed by the City to Consultant shall be held in confidence and used only in performance of the Agreement. Consultant shall exercise the same standard of care to protect such information, as a reasonably prudent consultant would use to protect its own proprietary data. In addition to the above, Consultant agrees to comply with all audit, inspection, record-keeping and fiscal reporting requirements incorporated by reference.

10. Agents/Brokers

For breach or violation of this warranty, the

City shall have the right to rescind this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee, commission, percentage or gift.

11. Assignment

Parties to this Agreement shall not assign or otherwise transfer any rights, duties, obligations or interest in this Agreement or arising hereunder to any person, persons, entity or entities whatsoever without the prior written consent of the other Party and any attempt to assign or transfer without such prior written consent shall be void. Consent to any single assignment or transfer shall not constitute consent to any further assignment or transfer.

23. Local and Small Local Business Enterprise Program (L/SLBE)

- a. **Requirement** – For Professional Services, **50% Local and Small Local Business Enterprise Program (L/SLBE)**: there is a 50% minimum participation requirement for all professional services contracts over \$50,000. Consultant status as an Oakland

certified local or small local firm and subcontractor/subconsultant status as an Oakland certified local or small local firm are taken into account in the calculation. The requirement may be satisfied by a certified prime consultant and/or subconsultant(s). A business must be certified by the City of Oakland in order to earn credit toward meeting the fifty percent requirement. The City has waived small local business enterprise (SLBE) subcontracting requirements for Oakland certified local businesses that apply for professional services contracts as the prime consultant with the City. The SLBE requirements still applies for non-certified LBEs and non-local business enterprises.

- b. Good Faith Effort - In light of the fifty percent requirement, good faith effort documentation is not necessary.
- c. Preference Points – Preference points are earned based on the level of participation proposed prior to the award of a contract. Upon satisfying the minimum fifty percent requirement, a consultant will earn two (2) preference points. Three additional preference points may be earned at a rate of one point for every additional ten percent participation up to eighty percent participation of the total contract dollars spent with local Oakland certified firms.
- d. A firm may earn up to five (5) preference points for local Oakland business participation and additional preference points for being a long term certified business in Oakland regardless of size and for having an Oakland workforce.
- e. In those instances where VSLBE participation is evident, the level of participation will be double-counted towards meeting the requirement.
- f. Additional Preference Points. For Request for Proposal (RFP) and Request for Qualifications (RFQ), additional Preference Points may be earned for h having an Oakland workforce on Non-Construction Contracts.
- g. Earning extra preference points for having an existing work force that includes Oakland residents is considered added value. The Request for Proposal “evaluation” process allows for additional preference points over and above the number of points earned for technical expertise. Typically 100 points may be earned for the technical elements of the RFP. Preference points are awarded over and above the potential 100 points.
- h. The Exit Report and Affidavit (ERA) – This report declares the level of participation achieved and will be used to calculate banked credits. The prime consultant must complete the **Schedule F**, Exit Report and Affidavit for, and have it executed by, each L/SLBE sub consultant and submitted to the Office of the City Administrator, Contracts and Compliance Unit, along with a *copy* of the final progress payment application.

- i. Joint Venture and Mentor Protégé Agreements. If a prime contractor or prime consultant is able to develop a Joint Venture or "Mentor-Protégé" relationship with a certified LBE or SLBE, the mentor or Joint Venture partners will enjoy the benefit of credits against the participation requirement. In order to earn credit for Joint Venture or Mentor-Protégé relationships, the Agreement must be submitted for approval to the Office of the City Administrator, Contracts and Compliance Unit, prior to the project bid date for construction, and by proposal due date for professional services contracts. Joint Venture Applications and elements of City approved Mentor Protégé relation are available upon request.
- j. Contractor shall submit information concerning the ownership and workforce composition of Contractor's firm as well as its subcontractors and suppliers, by completing **Schedule D**, Ownership, Ethnicity, and Gender Questionnaire, and **Schedule E**, Project Consultant Team, attached and incorporated herein and made a part of this Agreement.
- k. All affirmative action efforts of Contractor are subject to tracking by the City. This information or data shall be used for statistical purposes only. All contractors are required to provide data regarding the make-up of their subcontractors and agents who will perform City contracts, including the race and gender of each employee and/or contractor and his or her job title or function and the methodology used by Contractor to hire and/or contract with the individual or entity in question.
- l. In the recruitment of subcontractors, the City of Oakland requires all contractors to undertake nondiscriminatory and equal outreach efforts, which include outreach to minorities and women-owned businesses as well as other segments of Oakland's business community. The City Administrator will track the City's MBE/WBE utilization to ensure the absence of unlawful discrimination on the basis of age, marital status, religion, gender, sexual preference, race, creed, color, national origin, Acquired-Immune Deficiency Syndrome (AIDS), AIDS-Related Complex (ARC) or disability.
- m. In the use of such recruitment, hiring and retention of employees or subcontractors, the City of Oakland requires all contractors to undertake nondiscriminatory and equal outreach efforts which include outreach to minorities and women as well as other segments of Oakland's business community.

24. Living Wage Ordinance

If the contract amount of this Agreement is equal to or greater than \$25,000 annually, then Consultant must comply with the Oakland Living Wage Ordinance. Part-time employees shall accrue compensated days off in increments proportional to that accrued by full-time employees. The employees shall be eligible to use accrued days off after the first six months of employment or consistent with company policy, whichever is sooner. Paid holidays, consistent with established employer policy, may be counted toward provision of the required 12 compensated days off. Ten uncompensated days off shall be made available, as needed, for personal or immediate family illness after the employee has exhausted his or her accrued compensated days off for that year.

Failure to provide said list within five days of the due date will result in liquidated damages of five hundred dollars (\$500.00) for each day that the list remains outstanding. Consultant shall maintain employee payroll and related records for a period of four (4) years after expiration of the compliance period.
- h. Consultant shall require subconsultants that provide services under or related to this Agreement to comply with the above Living Wage provisions. Consultant shall include the above-referenced sections in its subcontracts. Copies of said subcontracts shall be submitted to Contracts and Compliance.

25. Equal Benefits Ordinance

This Agreement is subject to the Equal Benefits Ordinance of Chapter 2.232.010 of the Oakland Municipal Code and its implementing regulations. rendering of those services. 37. Severability/Partial Invalidity

If any term or provision of this Agreement, or the application of any term or provision of this Agreement to a particular situation, shall be finally found to be void, invalid, illegal or unenforceable by a court of competent jurisdiction, then notwithstanding such determination, such term or provision shall remain in force and effect to the extent allowed by such ruling and all other terms and provisions of this Agreement or the application of this Agreement to other situation shall remain in full force and effect.

(b) If either party is rendered unable wholly or in part by "Force Majeure" to carry out its obligations under this Agreement or to provide commercially reasonable substitute performance, it is agreed that such party upon providing a written detailed description of the event(s) causing the Force Majeure, within a reasonable time following such

events(s), shall be excused from fulfilling its obligations under this Agreement, until such reasonable time that the event(s) causing the Force Majeure is corrected or other remedial action is taken, but for no longer a reasonable period of time thereafter.

(c) It is understood and agreed that the settlement of strikes or lockouts shall be entirely at the discretion of the party having the difficulty, and that the above requirement that any Force Majeure shall be corrected within a reasonable time shall not require the settlement of strikes or lockouts.

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business.

Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
