Subject: Fwd: Minimum Wage

Dear Pat and Libby:

From my perspective, a \$16 dollar minimum wage would result in a cutting of staff to the bone. Presently, I have about 50 employees in off season, 65 during the season. A shift in wages of that magnitude would have a significant impact that I could not recoup from membership dues.

Also, a significant number of my employees are students, both high school and college. They are the people that would be impacted most.

Please vote no on this should it reach the council.

See link above.

Cordially,
Oakland Hills Tennis Club, Inc.
Jim Thompson, President
