SUBJECT: FBR NARRATIVE  
AUTHOR: ARSANIS, MICHAEL

On 31 OCT 213 at approximately 0953 hours, I was working as OPD patrol unit 1L11. Radio dispatched me to 6546 Whitney Street to investigate a report of a burglary. On my arrival, I contacted Linda Katz (Victim-1), who stated that her residence was burglarized.

Katz stated that she left the residence on 30 OCT 2013 at about 0430 hours. She returned the same day at about 2010 hours and observed that all her lights were on. She further discovered that the vertical sliding lower window on the side of her residence had been broken and opened. She walked through the residence and observed that the lower level door was left open and that the loss items were missing.

I observed the broken window. The victim had placed cardboard over it to secure it. The window was dirty - no printable surfaces.

I observed the downstairs door. No printable surfaces located.

Based on what the victim stated, it appears the following happened:

At the above stated location and time frame, an unknown suspect broke the glass on the vertical sliding window on the side of her residence. The suspect was then able to reach in and unlock the window and climb into the residence. The suspect selected the loss items from the residence, and then fled with the items through the downstairs door in an unknown direction.

I canvassed the area for witnesses.

[REDACTED] stated that [REDACTED] heard glass breaking on the side of the victim's residence and heard the victim's voice at about 2030-2100 hours yesterday. The victim stated that she was cleaning up the broken glass at around that time so it appears it was her that [REDACTED] heard.

\_\_\_\_\_ stated that \_\_\_\_\_ wasn't home yesterday. Several neighbors were standing outside with \_\_\_\_\_ and none of them stated that they saw or heard anything.
