#### Summary:

On 29 Oct 13 I was working in patrol as a one (1) man unit 1L12. I was dressed in full police uniform operating out of fully marked OPD vehicle #1831. At approximately 1057hrs I was dispatched to [REDACTED] to investigate a reported stolen vehicle. On arrival I met with a Meredith Williams, V-1, who told me that her vehicle had been stolen. V-1 also advised me that the vehicle was currently registered to [REDACTED], but she has had full possession and control of the vehicle for [REDACTED]. I spoke to [REDACTED] via telephone at which time [REDACTED] confirmed this information. I then proceeded with the stolen vehicle report.

V-1 told me that she parked and locked her vehicle in the 450 block of 48th Street on 28 Oct 13 at approximately 1945hrs. V-1 said that on 29 Oct 13 at approximately 1000hrs she returned to the location where she had parked her vehicle and discovered that her vehicle was missing. V-1 stated that all of her vehicle keys are accounted for and advised that she did not give anyone her permission to take or drive her vehicle. V-1 also advised that she will press charges against anyone found in possession of her vehicle.

I checked the location where V-1's vehicle had been parked at which time I did not observe any broken glass or

debris on the ground. It is unknown at this time how the suspect or suspects gained access to V-1's vehicle. I advised V-1 that she may be liable for towing and storage fees in the event that her vehicle is located and she cannot be reached at the phone numbers she has provided. I also advised V-1 that if her vehicle is located and not drivable her vehicle will be towed regardless of whether she can be reached or not. I further advised V-1 to notify police immediately if she locates her vehicle and not to enter or drive her vehicle prior to police arrival. I provided V-1 with a blue card containing the RD number for this report.

I checked the area for V-1's vehicle and canvassed for possible witness and suspect information with negative results. I then notified OPD Communications at which time V-1's vehicle was entered into the Stolen Vehicle System (S.V.S.) by dispatcher #56.

Based on my preliminary investigation it appears that an unknown suspect or suspects gained access to V-1's vehicle by unknown means. The suspect or suspects started V-1's vehicle by an unknown method then fled in V-1's vehicle in an unknown direction without V-1's permission.

There are no known witnesses at this time.
