**Brief Summary of Incident**  
I told Vernon Bolds he had to move out later on in AM because of consistent cheating. I told him I will go my way and he can continue to see other women. He said well continue to be a hoe - stupid bitch. I will always love my son and the baby on the way - but I don't give a fuck about you. Fine I will move out. No problem he said. He said he's tired of me spying on him, and this time I should watch my back because I will get touched (Killed) and he doesn't have anything to lose by getting rid of me. He said he was serious this time.
