Rich,

Thanks for this. I'm at fault for not making clearer to Elias and Pelayo, when they brought this to Rules, that Niccolo needed to hear about OCA's request for support of AB 2310 then. I should have spent more time with them understanding who was overseeing the work, and then talked with you. My apologies for contributing to this last minute catch-up.

I would appreciate a copy of what Barbara signs off on, which I understand Elias will deliver to the Clerk.

Eli will get a version to the clerk as soon as he can get Barbara's signature on it. In the meantime I am emailing the old version to Niccolo so he can start on it.

Rich,

If you can provide the reso re AB 2310 with the additional language that Elias read at the podium, I would be very grateful. Thanks.

ND:

Did I fail to let you know that OCA was promoting this? I recall asking OCA to get into contact with you about it.

Elias Ferran is the attorney who requested Council support (238.6522). On the Council floor last night, he introduced language to be inserted into his resolution. I've asked him to include it in his original resolution and send it to me ASAP to send to you. I'll get it to you as soon as I can.

I just heard about this from your City Attorney's office. I will be acting on it since Council took action on it. There will be some annoyed folks but let me see what I can do
