SYNOPSIS: 459 PC and 10851(A) VC report.					
My preliminary investigation revealed that on 27Aug09 at about 0800 hrs LAFON left his residence. He returned on the same date at about 1815 hrs and noticed his veh was missing. LAFON went in his house to call the police and realized the house was broken into as well. LAFON's I Pod was taken from his bedroom with his car keys.					
An unk susp forced the window screen off of the south bedroom window. The unk susp then gained entry and selected loss item # 1. The unk susp also selected LAFON's veh key's. The unk susp used those keys and gained access to LAFON's veh which was left parked IFO his house. The unk susp fled with the veh and the loss in an unk direction.

SYNOPSIS: 459 PC and 10851(A) VC report.

My preliminary investigation revealed that on 27Aug09 at about 0800 hrs LAFON left his residence. He returned on the same date at about 1815 hrs and noticed his veh was missing. LAFON went in his house to call the police and realized the house was broken into as well. LAFON's I Pod was taken from his bedroom with his car keys.

An unk susp forced the window screen off of the south bedroom window. The unk susp then gained entry and selected loss item # 1. The unk susp also selected LAFON's veh key's. The unk susp used those keys and gained access to LAFON's veh which was left parked IFO his house. The unk susp fled with the veh and the loss in an unk direction.
