OCCUPY OAKLAND! OCCUPY WALL STREET!!!

Oakland City Attorney Resigns! FORCED OUT!!! Can't Dodge Fraud, Corruption Charges!

The Occupy Movement that has swept America and the world, had it's Occupy Oakland beginnings with the revelation of irrefutable evidence of the mass fraud and corruption of the Oakland City Attorney, Oakland Police Department, Alameda County District Attorney, Alameda County Superior Court, California State Appeals Court and California Supreme Court in an action to deny justice and cover up that denial of justice in the 20 year case of Abdul-Jalil al-Hakim vs CSAA, Rescue, et al.

The unrest caused by the exposure of the criminal actions of these law enforcement, legal and judicial individuals/bodies in this matter implored others to investigate the ongoing case revealing even more rampant corruption that has dramatically portrayed the sullied, sordid underbelly culture of corruption that Oakland and Alameda County has long been known for! This pattern continued even through the Oscar Grant murder debacle but lead to the people of the Oakland East Bay Area and beyond, standing up to that corruption and saying "NO MORE!!!".

The cry at ALL the Occupy events world-wide are echoing the frustration felt by the people of the East Bay

Area, "We are ALL Oscar Grant!!" and most are reacting in solidarity and union with those whom have voiced their opinions with their frustrations in a varied manner of ways. The world witnessed as Oakland revolted and burned with the that cry and now the whole world is chanting the same tune and following Oakland lead as it did in the 1960-70's re-evolution!

The Minority and Occupy Communities (#occupyoakland #OWS) are evaluating the elected officials, want-to-be-leaders, clergy and so-called power brokers that do not represent their interest, yet claim to bargain and speak for them! How can these self-perceived "influence peddlers" bargain away the rights and interests of people they do not talk to, know nor represent?

African-American youth, the overall Minority Youth Community with the Occupiers (#occupyoakland #OWS) know these carpet baggers and their "bagmen" are sellouts and represent BIG BUSINESS INTEREST-the Developers, Banks, Insurance Companies, Attorneys and maintaining the status quo! The Minority Youth Community with the Occupiers proclaim widely and loudly that they ARE NOT the constituents of these turncoats that disavow their very own ethnic orientation because they acknowledge that being Black in America is to be considered worthless and disposable!

One of Oakland Mayor Jean Quan's problems is her depending on the advice of Uncle Toms Sandre Swanson, and Keith Carson; while fighting bootlicking-backstabbing Larry Reid and Ignacio DeLaFuente; assumming theres some influence of want-to-be-leaders, clergy and so-called power brokers to move the concerned disenfranchised; with double crooked duplicitous Dan Siegle! (More coming on this cast of characters)

Oakland City Councilmen Larry Reid and Ignacio DeLaFuente have given away many, many millions of dollars in valuable Real Estate to their developer partners! From 14th Ave to 106th Ave and down from MacArthur Blvd. to the Bay. Councilmen Reid and DeLaFuente are owned and controlled by developers! That's why they constantly connive so shamelessly for the Civil Gang Injunctions and curfews, with EVERY act of difference they are in the media spinning it as an example of serious crime that could be eliminated with the injunction/curfew. Reid has gone on air and repeatedly tried to trivialize and void the entire good of some lives by claiming their life was somehow lost to or compromised by gang related violence that could have been avoided by the injunction/curfew by pushes for his disposed partner in crime, former City Attorney John Russo. Many families resenting that media manipulation with on air to publicly denounce Reid's developers serving claims!

Reid was served with a complaint against his partner Russo and refused to investigate it, but rather chose to cover it up. Not so oddly enough, that was the same stance taken by Sandre Swanson, Keith Carson and District Attorney Nancy O'Malley. Who are they protecting and why? Carson has made himself a witness in this case my the admissions made by District Attorney Nancy O'Malley to him regarding the incident where she had al-Hakim removed from the D. A.'s office while sitting alone in the lobby waiting for a meeting!

The real reason the Reid Gang wants the injunction/curfews are because they are law enforcement and real estate developers dream tools for gentrifying the inner-city and administratively taking land from the poor! Not so unfortunately, an analyst last week revealed that the North Oakland Gang Injunction HAS FAILED to reduce crime in any way, yet in has enriched the police department with over \$12 million while the Oakland Police Department has FAILED to comply with the Federal Mandate to meet MINIMUM agreed upon standards to fight corruption! This failure is one of the presumed reasons for Oakland Police Department Chief Anthony Batts resigning. One question being asked now is did Mayor Ron Dellums or City Attorney John Russo investigate the many alleged charges of abuse against former Oakland Police Department Chief Anthony Batts before they hired him and was that a factor in his resigning?

Listen to voicemail from Deputy District Attorney Kevin Dunleavy exposing continued Corruption and Fraud by District Attorney Nancy O'Malley as he had victim al-Hakim removed from Courthouse Building while al-Hakim was waiting for a meeting with him! O'Malley further ordered al-Hakim to NEVER return to the courthouse under the threat of arrest by D. A. Bob Conner, someone known to al-Hakim to have tried to place al-Hakim in a life threatening situation that resulted in the only conviction of police officers crimes committed while on duty! She made this order without any legal proceeding, court order nor cause in her effort to prompt a conflict of interest charge to avoid having to investigate and prosecute the complaint and evidence by al-Hakim that establishes the admitted fraud committed by the D.A.'s office for over 20 years!

al-Hakim has over 87,000 signatures and implores everyone to click on any one of the links and sign the Petition To The Honorables President Barack Obama and United States Attorney General Eric Holder to raise it's investigation of corruption involving then Attorney General Jerry Brown, Oakland City Attorney John Russo, former Oakland and current San Leandro City Attorney Jayne Williams, former District Attorney Tom Orloff, and current District Attorney Nancy E. O'Malley.
