Come Join the Rally to Save Knowland Park, Sunday January 5th at the Oakland Zoo

When's the last time you took to the streets to save a beautiful public resource? Now's your chance to dust off your protest duds and join the growing crowd of people gathering to tell the zoo to keep their theme park out of Knowland Park. We'll be meeting on Sunday, January 5th at 12:30 in time to start the rally at 1. We'll have beautiful hand-made signs or you can bring your own. Zoo management thinks their project is a slam-dunk. We think not. So come on down and make some noise. You'll be in good company and we need your presence.

Meet at 12:30 pm at Oakland Zoo entrance (intersection of Golf Links Road and Mountain Blvd). Allow time for parking on nearby streets and walking to zoo entrance; please carpool if possible. Please let us know you're planning to join us at info@friendsofknowlandpark.org. We are asking for volunteers to take part in peaceful actions aimed at raising public awareness of Knowland Park and the disastrous plans for its development.
