Dear Ms. Lye,

Tomorrow my schedule is pretty jammed (it is our Committee day), but I may be able to meet with you (or talk on the phone) at 1:00. Would you be willing to send me your suggested Resolution language in the meantime? Also, have you talked to CM Schaaf since the last Council meeting about language?

Dear Councilmember Kernighan,

I'm a staff attorney with the ACLU and was hoping to meet with you this week about the Domain Awareness Center (or if that is not possible, to speak with you on the phone) in advance of next week's City Council meeting. You expressed interest in a port-only approach and I wanted to share some thoughts on resolution language that would be essential in implementing such an approach (Councilmember Kalb's proposal would not have sufficed), and also be available to answer any questions or concerns that may have arisen in your mind about that approach since the last council meeting.

Do you have any availability tomorrow afternoon? Thanks.

Best, Linda
