Thanks very much, Pat. This is wonderful news, and we appreciate your responsiveness.

Mary and I were planning to attend Rules tomorrow to make the request in person until we learned that the meeting had been canceled.

Again, we look forward to this item being scheduled at the earliest possible Public Safety Committee meeting.

With appreciation,

Rashidah

Rashidah: I want to talk to Deanna Santana before I make a final decision, but I am inclined to want to schedule the item.

Also FYI, tomorrow there will be no Rules Committee due to the two City holidays on Monday and Tuesday of this week. Staff and I will schedule the items from today's (Wednesday) Committees via "Rule 28", which is the rule allowing the Council President and City Administrator are allowed to schedule items in lieu of the formal Rules Committee.

Pat and Libby:

I have just sent you an ACLU press release from 2000 emphasizing the point that discussions regarding the CPRB need to be public.

Once again, we are requesting that the Rules Committee schedule this item at the Public Safety Committee. The consolidation of the intake of complaints has been referred to as recently as Sunday by the Mayor, yet there has been no public disclosure about the reason for the delay in implementation, which was meant to occur last month. The memo by C.A. Santana which provides an explanation is not a substitute for public discourse on this matter.

We look forward to your scheduling this item at the Rules Committee on Thursday, February 14, or to a written statement explaining why you will not do so.

Thanks very much,

Rashidah
