Subject: Request for Public Works Records

Importance: High

Ms. Carter,

I need the following Public Works records for the location NE corner of the City of Oakland right-of-way at Randolph Avenue and E. 33rd Street since January 2010:

- All service requests for vegetation management at that location
- All service requests illegal dumping at that location
- All emails regarding Public Works maintenance activities at that location
- All phone records including notes from telephone conversations regarding Public Works maintenance at that location
- All directives from supervisors, managers, and director regarding Mr. Patten's requests for service at that location
- All notes from meetings or conferences on maintenance or requests for maintenance at that location.

If you have any question regarding my request as per the Public Records Act, please call me at 510-575-8358.

Regards,

R. George Patten
