Attachments: Mural authorization agreement.doc

Hi Jill,

We appreciate your mural proposal very much and have approved \$2,000 to be allocated to the project. In order for this item to go forward and funding to be allocated the City Attorney will require either a **signed agreement** (attached here) between the artist and the property owner or the **signed waiver** of owner permission **no later than Monday**.

Please don't hesitate to contact me with any questions or concerns.

All the best, Sepi

Hi Jill,

Thanks you for sending this information. I noticed that the waiver of property owner permission on the last page does not have signatures, do you have a signed copy of this you could scan and submit?

Thanks, Sepi

Hi Sepi- Here is the application we turned into the PAAC and was approved last year. In it you will find a budget that includes preparation, mural and overlook. If we just look at the mural itself we allocated about 25-30, but even that can be reduced in cost with some of the unnecessary expenses being removed.

Thanks.

Hi Sepi-

The trestle is managed by Oakland Public Works. We actually went through the Oakland Arts Commission and received all the necessary buy in for the design. I will find the budget presentation and send it to you.

Hi Jill,

I'm writing on behalf of Councilmember Libby Schaaf's office to follow up on the application you submitted for the mural grants program.

I looked on montclairsic.org and saw the photos and the video on the location. I did not find a budget or information on the property owner and their written consent to allow the project.

Please submit the following information to complete the application:

- Provide a preliminary budget summary that includes estimated costs of materials, supplies, implementation, insurance, permits, artist fees, and any other expenses associated with the proposed project.
- Address and proof of ownership of the property/properties proposed for treatment with mural
- Written evidence of property owner's consent and sponsorship

Please don't hesitate to contact me with questions.

All the best, Sepi
