Re: Strada T5/6 June 11, 2014 ENA Deliverables

Dear Patrick:

This letter addresses the June 11, 2014 ENA deliverables and all previous deliverables to date. Regarding the June 11, 2014 deliverables, the CEQA consultant has prepared a draft scope of work for City review and approval based on the specific CEQA approach for the project. Separately, after our initial meeting on May 7, 2014 with Ron Wolf of Old Oakland Neighbors, Mr. Wolf was able to present the proposed development plan to the Old Oakland Neighbors Board. We plan to attend and scheduled a follow up discussion and presentation at an Old Oakland Neighbors general meeting, likely on August 27th at 7PM. We are also awaiting a comprehensive list of other stakeholders and interested community members from the Planning Department. We will conduct additional public outreach over the next few months.

This letter confirms that we are in compliance with and have met the requirements of the ENA deliverables to date.

Very truly yours,

WENDEL, ROSEN, BLACK & DEAN LLP
