Additional / Supplemental Information

that [REDACTED] had come down and started screaming at him. He is verbally taunting our name and making us look bad to our neighbors, when we have done nothing wrong except asked him not to trespass on our property. I feel extremely unsafe in our property due to this bully. He has also taken over the empty lot in the front and a neighbors house. He is a landscaper so he installs irrigation plants whatever he wants and then calls it his own. Even though it is beautiful I do not want him on my property. He also brings in his crew to work on these properties he maintains. This is dangerous and extremely uncomfortable.

My next step will be a restraining order.
