Dear Interim Chief Whent:

Homeland Security Investigations (HSI), Special Agent in Charge (SAC) San Francisco, California, is grateful for our continued relationship with the Oakland Police Department. It is my pleasure to inform you that during fiscal year 2013 (October 1, 2012 to September 30, 2013) the Treasury Executive Office for Asset Forfeiture (TEOAF) deposited \$76,485.75 into your agency's account based on joint operations that your agency worked with HSI. These deposits were generated from \$66,552.20 paid to your agency in asset sharing, as well as \$9,933.55 reimbursed to your department for State and Local Overtime/Joint Operations (SLOT) worked with HSI. Our cooperative effort is a direct message to criminals that their actions will not be tolerated, and that we remain committed in uniting to disrupt and dismantle their organizations by seizing their illicit proceeds.

In order to continue our partnership during fiscal year 2014, I want to remind your agency in order to receive your equitable sharing payments timely; your agency must be in compliant status in the Equitable Sharing Program. Please ensure to submit annually the Equitable Sharing Agreement and Certification form and use equitably shared funds in accordance with the Guide to Equitable Sharing for Foreign Countries and Federal, State, and Local Law Enforcement Agencies. To obtain the most recent version of the Equitable Sharing Agreement and Certification form, please visit: <http://www.justice.gov/criminal/afmls/equitable-sharing/>.

HSI, SAC San Francisco, California, looks forward to partnering with Oakland Police Department during future joint operations and investigations. Please accept our sincere gratitude for your agency's continued assistance and commitment to HSI, SAC San Francisco, California. If you or your staff has any questions regarding the Asset Sharing or SLOT Programs please contact Asset Forfeiture Specialist Thomas Taylor at (415) 844-5477 or SLOT Coordinator Jeannie Lee at (415) 844-5086.
