### Summary:

On 9 Jan 14, I was working OPD patrol unit 1L19. I was wearing full police wool uniform and driving fully marked patrol vehicle #1849. I was dispatched to Kennedy St and Diesel St to investigate a report of a stolen vehicle recovery.

Upon arrival I contacted [REDACTED] (OP1) who located the stolen vehicle through the vehicle low jack. I ID'd [REDACTED] using his CDL. I conducted a file check on service and confirmed the vehicle had been entered into SVS. Service conducted a call back to the RP who advised [REDACTED] is authorized to take the vehicle. The vehicle was removed from SVS.

I released the vehicle to [REDACTED]

PDRD not activated.

No known witnesses.

I did not use or witness any use of force.
