Hi Barb,
Yes, I definitely want to talk with you about the minimum wage issue and time is of the essence--are you available Monday the 16th? (which is probably when you are reading this). I am open all morning and up until 2:00. Please call me on my cell, 912.5517, to let me know if you can meet. Thanks!
Looking forward to seeing you,
Pat

Dear Councilmember Kernighan:

I understand you may be meeting with the Coalition folks right now. We just sent them the attached letter and our proposal in response to a letter sent to the Chamber from them. I've also attached their letter, which was supposedly copied to you. We welcome an opportunity reach a compromise ordinance with them, and understand there is a push for a meeting to have such a discussion next Friday.

Respectfully,

Isaac
