Hi Peter,

I like all of your suggested changes and have “accepted” them in the document. Thank you.

My goal is to get the letter in the mail tomorrow.

Thanks,
Rebecca

Hi Peter and Wanda,

We did a parcel data audit in June and identified 211 residential customers in Oakland who

currently receive service but do not have an active account. We are creating an account for those customers and plan to mail out the attached letter, once approved by the City. Please review and let me know any suggestions or changes you may have.

Thanks,

Rebecca Parnes
