Hi Casey – Good to meet you yesterday! So sorry I missed your vm; I didn't check after I left the office and only picked it up today. Glad we connected.

Thank you so much to you and Councilmember McElhaney for your work on the DAC and attention to these really tough issues.

Best, Linda

Subject: Recommendations for the DAC Privacy Policy Committee
Date: Tuesday, April 01, 2014 9:24:00 PM

Hi Linda,

I hope this finds you well.

Lynette needs to appoint 2 members to this ad-hoc committee. Preferably, they would be residents from District 3, but I don't believe that is a requirement.

It is an ad hoc committee charged with developing a Privacy and Data Retention Policy for the City Council to consider. The group will likely meet aggressively over the next three months in order to have a policy before council before the summer recess and the City will provide as much technical and staff support as is necessary to get the job done. This will likely mean meeting every two weeks but the committee will have to make that determination at their first meeting when they establish procedures for themselves.

Any recommendations would be most helpful!

Thanks!
