I'm not certain when would be better, but the CM was clear to me that she would reach out if she needed any information, no briefing is needed at this point. Thank you for offering, though.

Appreciatively,  
Nayeli

Hi Jason,

Was just looking at the calendar for next week and I'm sorry but it doesn't look like we are going to be able to fit the meeting with Taser in. The Councilmember said that she will be sure to reach out to you/Taser if she is in need of any additional information though.

Thank you!

Ok great, sent out an invite. Thanks, Jason!

On Dec 7, 2015, at 11:30AM PST you originally sent the below email to "Campbell Washington, Annie" and "Nayeli Maxson (NMaxson@oaklandnet.com)":

Councilwoman:

I wanted to follow up on our introductory meeting with Josh Isner from Taser International. They're still extremely interested in offering Oakland the best body cameras on the market at a better cost – and I wanted to give you more information and the opportunity to ask whatever questions you've thought of since the meeting we had in September.

I'm bringing them to town for a series of meetings and demonstrations on Wednesday, February 3 and Thursday, February 4. Can we set up a 30 or 45 minute time when they should provide a demonstration of their cameras, their features, and the software that it integrates with?

Thank you!
