The kitchen sink is gone, the water heater is gone, and a bucket has been placed by the pipe. There was a significant amount of water in the parking lot yesterday afternoon

This work appears to be outside of the scope of a minor bath remodel

Hi Vickie,

I came home tonight to find that you had entered our inner hallway without notice, and then left a ladder in the entry (blocking our exit) You have also done shoddy repairs and left this light dangling by it's wires

Is your goal to kill us in a fire?

This is a really terrible way to treat tenants.
