Re: Freedom of Information Act Request

To Whom It May Concern:

We would like to kindly follow up on the FOIA request that we made on June 15, 2016 on behalf of our client Ariel Spritzer-Satomi. Please find enclosed the City of Oakland's Public Records Request Form. Additionally, please find below our original request for your convenience.

Pursuant to 5 U.S.C. § 552, we are making a Freedom of Information Act request for all records concerning the incident involving Ariel Spritzer-Satomi and the 460 feet metal chain link fence that fell off the 23rd Avenue Overcrossing over Interstate 880 in Oakland, California (the "Overcrossing") and onto Mr. Spritzer-Satomi's car as he travelled northbound on I-880 at or around 6:30 p.m. on October 19, 2015 (the "Incident").

As used herein, "records" includes all data and documents (including all electronically recorded data or databases), including but not limited to, any interview notes or recordings, field notes, photographs, videos, witness statements, field measurements, laboratory measurements, any interim or final data analysis or summaries, procedural write-ups, laboratory notebooks, and any interim or final reports.

Subjects regarding which records are requested:

1. All reports and supplemental reports, including all photographs, videos, or other electronic media, associated with the October 19, 2015 Incident and response;
2. Any physical evidence collected associated with the October 19, 2015 Incident;
3. All reports and supplemental reports, including but not limited to the maintenance, inspection, and repair reports, and all documents related to signage and painting for the Overcrossing from January 1, 2010 to the present;

4. All Bridge Inspection Records Information System Structure Maintenance and Investigations for any portion of the Overcrossing dating from January 1, 2010 to the present;
5. All Bridge Inspection Records Information System Structure Maintenance and Investigations for any portion of the 29th Avenue Overcrossing over Interstate 880 in Oakland, California, dating from January 1, 2010 to the present;
6. All documents related to, evidencing or referring to the Freeway Maintenance Agreement with City of Oakland, dated effective August 1, 2013, related to State Highway Route 880 within the jurisdictional limits of the City of Oakland;
7. All documents related to, evidencing or referring any work carried out pursuant to the Freeway Maintenance Agreement with City of Oakland, dated effective August 1, 2013, related to State Highway Route 880 within the jurisdictional limits of the City of Oakland.

This Freedom of Information Act request is directed to the entirety of the City of Oakland. For the purposes of facilitating your search, and without limiting generality of this request, we believe that such records may exist at the office of the City of Oakland located in Oakland, California.

If you determine that any or all of the information qualifies for an exemption from disclosure, I ask you to note the express provision of the law that provides for its withholding. Similarly, if you determine that some, but not all, of the information is exempt from disclosure, and that you intend to withhold it, I ask that you redact the exempt information and make the rest available as requested. To reduce any excessive cost related to the foregoing request, I am willing to receive all of this information on a CD or other electronic device to avoid copying fees. If there are any fees associated with the searching and copying of these records that will exceed \$300, please inform me before you duplicate the records.

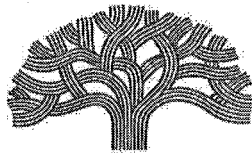

If I can provide any clarification that will help expedite this request, please contact me at (510) 697-6000. Thank you for your time and attention to this matter.

Sincerely,

Amy Chau
Paralegal for Julie L. Fieber

CITY OF OAKLAND

RecordTrac Public Records Request Form

Explore Before You Request: view past requests to see if the record you are requesting is already available at records.oaklandnet.com

Consider using RecordTrac, the City's new online public records request system, to submit this request. It's quick and convenient and allows you to track the status of your request. All information in every public records request will be entered in RecordTrac (the City's online public records request system) for communication, tracking and public viewing purposes.

Request a record (documents, photos, emails, texts, audio recordings, electronic information or data). Tips:

1) Be specific, include dates; 2) Do not reveal personal information in the body of the request; 3) Provide name or description of record.

What are you trying to find? Pursuant to the California Public Records Act **everything in this box will be displayed publicly** in RecordTrac.

Body of Request (do not enter personal information):

Records related to the 460 feet metal chain link fence that fell off the 23rd Avenue Overcrossing over Interstate 880 in Oakland, CA (the "Overcrossing") at or around 6:30 p.m. on October 19, 2015 (the "Incident").

Please see attached letter for specific request.
