The general description of this property is multifamily dwelling. The primary task(s) performed at the scene by responding personnel was to provide information to public or media. No mutual/automatic aid was given or received.</p> <p>Alarm number 0086827 has been assigned to this incident.</p> <p>Dispatched for PFAS. Upon arrival found system in alarm mode. Unable to gain access to FCP due to key issues. Met with on site security who directed us to a remote panel which showed system in trouble. Per Facility staff System has been in "Trouble mode" for approximately 5 months. Attempted to contact RP's no answer at the numbers given to facility staff. Will attempt to contact RP's this AM regarding PFAS and Keys (12/9/2016).</p>
