Refund policy is listed under Section 15.04.1.165

We are in the process of re-inserting remote “virtual” inspection into the amendment.

When can we meet to discuss the issues?

Hi Annie – I've reviewed and suggested to both Building and Fire that we pause to at least here these folks out. We may end up not agreeing with them – but at least we can listen and understand the basis for their concerns. I will let you know if there is a problem with that -- thanks and hope all is well. Noticed the skate park was dedicated yesterday – hooray !! Gotta get over there and see it sometime (don't worry I stopped skateboarding a few years ago – just like downhill skiing – broken bones take a long time to heal at my age.) C
