Mastewal,

Could we have a pre-job meeting to discuss these projects? Specifically the paving one as the contract is already executed. Perhaps Thursday at 10am or thereabouts? Please confirm date(s) time(s) that would work for you.

Thank you.

Casey,

I will be the RE for this project. Joseph Tanios & I are the City CM team and Mastewal Cherinet is engineer with City design.

When are you available for a Pre-con meeting? Let me know a few dates that work and we can coordinate.

When do plan to start the submittal process? The sooner we get that going the better.

Could you provide me with any other applicable contacts on your end for this project?

I look forward to working with you and G&B.

Thanks.

Joseph,

As discussed, your team will handle this paving project. I have setup a folder in the server and placed all pertinent files in the Start Up folders [in this link](#). Please work with Mastewal and initiate project startup. Note that an executed contract is already in place. Be sure to work with Gallagher and Burke to complete all necessary submittals and begin the pcc work during the winter months.

Thanks,

**Randy Mach, P.E.**
