Dennis,

I was forwarded a letter from the residents at 299 and 311 Somerset Road, concerning the illicit discharge of water flowing onto their properties from the resident above at 6788 Sims Drive, (see attached).

Ms. Yoshida informed me that she received a copy of the notice sent to 6788 Sims Drive to abate the issue, but she notice that the letter was sent to the previous owner, not the current owner, whom purchased the property approximately two years ago. Ms. Yoshida stated that she will be in contact with you, to forward the current owner's information.

Thanks for responding to this issue.
